

The Honorable Dana Nessel  
G. Mennen Williams Building  
525 W. Ottawa St., P.O. Box 30212  
Lansing, MI 48909

Dear Attorney General Nessel:

Our group, One Nation MI is a Michigan unincorporated association that is focused on healing racial divides and promoting unity in our nation. We write you because we understand that you have stated that you have jurisdiction to enforce, and will enforce, various executive orders issued by Governor Gretchen Whitmer. Those executive orders appear to prohibit most of the speech and association our group has planned for the coming weeks and months. This is making it difficult for us to make plans for our group's activities over the next three months. These activities are vital to our group's purpose and cannot be conducted remotely.

Racial tensions in our country are reaching an all-time high, as a former Michigan Civil Rights Commissioner, I can state unequivocally that our voice to promote unity is important at this time. We need certainty in order to plan our upcoming events. We are planning on the following indoor events, each in a single large room. Our intent is to provide masks, hand sanitizer, and to request that our participants engage in social distancing. We are in the preliminary planning stages and plan to hold events on:

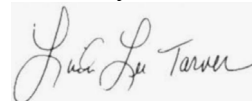

**Friday August 28 – 7:00 PM** Detroit, MI.

**Friday September 11 – 7:00 PM** Rochester Hills, MI.

**Friday, October 2 – 7:00 PM** Lansing, MI.

Please let us know whether, based on these facts, you would enforce Governor Whitmer's orders against us. In order to finalize these plans, we are asking for a response no later than the close of business on this Friday, August 21, 2020. Please respond by mail or email to [lindaleetarver@gmail.com](mailto:lindaleetarver@gmail.com), P.O. Box 16162, Lansing MI 48901.

Sincerely,

Dr. Linda Lee Tarver  
President, *ONE NATION MI*
